Tide Dry Cleaners opens new location in Crocker Park

Westlake, OH: Crocker Park is pleased to welcome Tide Dry Cleaners to The Promenade offering quick and convenient dry-cleaning services to the area. This will be the second Cleveland location for franchise owner and local Bay Village resident, Chip Sherman, whose goal is to offer premier dry-cleaning services to the patrons of Westlake.

Tide has been a recognizable brand for over 65 years, providing quality cleaning tools for your garments. Tide Dry Cleaning locations deliver that same service of the brand you love in your dry cleaning. The location promises to only use environmentally friendly products and the GreenEarth Cleaning method, creating a gentle, odor-free clean on fabrics and garments.

The Crocker Park location will offer amenities including curbside valet, same day service and 24-hour pick-up and drop off making the ease of getting your clothes dry cleaned much easier.

“Tide Dry Cleaners is a fantastic addition to The Promenade” said Tina Roberts, Vice President of Commercial Operations for Stark Enterprises. “The quality services they offer and the speed and convenience at which they run their business makes the idea of dry cleaning much simpler and approachable. For both our Crocker Park residents on site and the neighboring communities, Tide Dry Cleaners will be exactly what the area needs.”

Tide officially opened their newest location at Crocker Park on Friday, December 14 and will be open everyday for drop off and pick up cleaning services. They will also have a 24/7 drop off window that can be utilized after operation hours to make whenever you can arrive the most convenient time.
